

Your
"Kindness"
means the
world to me!

Jackie-

I cannot express in words how much I appreciate you + all you have done for me + my new house! You helped me feel more at peace and more relaxed during this exciting (+ stressful) time + that means the world to me! Thank you for listening, thank you for being so responsive, + thank you for being you! I hope to see you again soon!
(J-Katrina)
